### tasting notes:

Fragrant, lifted opulence immediately jumps into stride with aromatics of fresh blueberry, crushed mulberry, and vanilla pod. Subtle nuances of cardamom spice intermingled with chewing tobacco and menthol complete the aromatic profile. The palate shows medium weight with textural, soft and velvety tannins flowing over the corridor like acidity that drives the freshness and length. A wine to enjoy in its youth or to cellar for up to 7 years.

*Winery note.*
