Quality:	1	2	3	4	5

tasting notes:

Only produced in years when conditions are perfect for Riesling growing, the Limestone Kabinett Riesling from Keller is an exceptional expression of off-dry Riesling. Produced off younger vines in Westhofen, mainly the Kirchspiel vineyard, this wine walks the tightrope of sweetness and acidity to perfection. Citrus, melon, apple, so much juicy fruit character, with the limestone minerality shining though and providing precise balance to this wine. *Winery note*

Drink from: 2022 - 2030
